Zionist accusation

*Dedicated to all the workers of the world
Goyim and non-Goyim!*

You don't have to be a Jew...to be a Zionist
anywhere on the earth
a monopolist...brutal capitalist
can get consent
as a Zionist
nationality and religion
are not essential factors
if you are
a true supporter of the imperialists
we all saw...Hosni Mubarak opening the gates...
a true ally...
also... is considered...as a Zionist
don't be surprised when I say
Pinochet was a Zionist
he was trained in the dictators' academy of US Zionists
and he was in full service of US imperialists
a mass murderer...a brutal capitalist
what else could he be then ...but a Zionist?

all the past and present, Arab leaders
the allies and servers of imperialists
all are defined...as the Zionists
Jews were misused by the Zionists
with the goal of occupying Palestinian lands
as colonies
they owned... and tied
the Jews free working hands
they made glorious dreams
to deceive Jews...
to displace and to enslave Jews
The question was... where?
Palestine...or Argentina?
then rose a deep...dominant rough voice
no no...not Argentina
Palestine...near black gold mines
is the real golden choice
Zionists needing masses
to occupy... and to fill the land
began propaganda
“a land without people ... for a people without a land”
with an excuse...a state for the Jew
mischievous was clear... only for the few
but was the Palestine
a land without people?!
a unique trap,
establishment of new colonies
cheating people...telling lies
as... God has given them the land
hoping...the truth
will never reach a hand
God...
has giving them...the land!
ah...

simple Jewish workers
were cheated
leaving their homes...leaving their lands
giving their children
as cheap free soldiers
to be trained as murderers
giving their lives...as new slaves
for the greed of the Zionists
sly minded... dirty colonialists
pure...healthy and brave... a Jewish farmer's son
from where
he planted golden wheat
was deceived and moved...
to be a killer...brutal bulldozer driver
dishonored harsh maniac
transformed in to robot monster
for the demands of the US colonialists
spider network of the imperialists
the difference...
illness
destruction deep inside themselves
being misused as winded up ... puppets and tools
the most awful crime of all
fooling men...misusing men
bringing up...a nation
acquainted...with blood
approving murderers
believing the killers
evidence...
the number of votes for killers
in the recent election
after the last massacre...
just look at the decline
and the true masses corruption

and think...
how deep...man can sink
brains washed out...by the Nazi Zionists
Sly mind of colonialist imperialists
young Jewish worker's mother
witnessing changes...the most ugly deformation
drowned in deep blues
nothing as such...dreaming land
the ha-ha land... Israel
living there is...a real fish bone
stuck in her throat...choking her
many worker Jews
in that trap...bitterly lived in anger
for being late
in grasping facts...
believing acts
no money to leave
no chance of getting out of this ... deceitful land
the Ha-ha land... Israel
no chance of prosecution...condemning of Zionists
for dishonest displacements
for being misused
for... ruining and wasting their lives
blocked roads when returning home
blowing wind... brings their sorrows
enormous sighs with regrets
throughout each winter
the sadness of eternal leave
bitter... so remorseful and rueful
among snow drops of death
with two eyes...behind their heads
wide open
looking at far
dreams of home... looking at home

but no legs...for returning home
deceived and fooled...enslaved
were brought in strangers' land
to kill men... with their hand
bread... soaked in blood for good
to live as murderer...for good
to raise... the absurd gloomy lie
Israel...the Ha-ha land
to end in stranger's land
buried... in strangers' soil
ah...
the Jewish laborer enslaved cheated son
lost hope ...lost home...lost love
in full aggression
in strokes of hatred
against him...
raised from the hearts in the world
for killing people ...in their home...in their land
no honor... no hope.... no respect
believing...the lie!
of a God- given land!
being slave...being part of machine of aggression
with guns...as parts of hands
to expand...spread...so long as one century
the Ha-ha land... Israel
by constantly killing people
to save patrons...breaking children's skull
raping... Arab females
before their last look at life
disgusting killing games with men
to... rescue their lives
making men...drink their own urine
repulsive... humiliating men
in last minutes of life

then... finish their lives
not letting them go
looking for them... everywhere
killing them and killing them so
is near one century of this tragic show
registered history
maniacs...sick...murderers
brought up... by the selfish Zionist
the ancient avaricious...today imperialist
here by
I Farah Notash
cry in my loudest voice for justice
in the public world's human court
for prosecution and closing up
the corrupted sick ... murderers' school of Zionists
the damned network of the imperialists
not only for killing and torturing
the most exploited...oppressed nation
of history...
Palestinians...in the recent century
With the only fault of living
in their own homes and land
but also...for deceiving...displacing
all Jews... from their homelands
enslaving... Jewish working-class children
and deforming them
from humans ...to monsters
to maniacs... to horror killer robots
I am dead sure,
they suffered...in their bodies as cage
when ...they relive in their minds
the pictures of last minutes of lives
finished...in their hands
the victims' last looks ...in their eyes

and cry...for letting them go
the redness and warmness of their blood
on their murderer hands
never leaves their inside
never gives them peace
they were dragged in the alleys of life
with dreadful sickness
those slaved...poor...lonely maniacs
never dared
looking at self...in a mirror
so lonely...in their illusions and horrors
suffered with pain...of what they had to do
and what ... they had done
Just think...and look
at their inside
at one century long...
mixture of nations...
in common... an acquaintance with blood
for a single crime case
much punishment considered
in each land
but...for endless crimes in one...none!
one century...free killing of one nation
in their land...in their homes
then...name this irrigated bloody land
a holy land!
quakes and shakes earth
with this enormous...ocean -like
Zionist Israeli criminal case
in the underground prisons
executions...endless
breath-taking in numbers
dreadful torturing
with advanced invented torturing tools

testing...to find the result of each
in breaking the resistance of masses
prisoners...are not political activists
normal living people
stolen in day-light from the streets...imprisoned
tortured and then killed
their fault...is living in Palestine
in their home and their land
massacres...in great numbers...in one century
Gaza...
masses of world... hate the Zionists
ugliest imperialists
blockade
running for years now
no light...no purified water...no...no...no nothing
is the earth's largest...bleeding prison
with the longest...and highest wall ... ever
with holes...called check points
going to work and school...
through the check points' guns
being indifferent...neutral...
and letting all this injustice
happen on earth?!
what we need is...
a united red volcanoes eruption
flowing in lines
to put an end to Nazi Zionists
and to the anti -masses imperialists
on earth
living still...and gazing
Passive...paralyzed
what are we?
human beings?
dumb... looking and not saying stop

no rush...to raise a hand
nearly gone one century...
with all tricks of medias...by Zionists
all united murderers...imperialists
who are we then?
let us stop
this flimsy...false life
we are responsible...for all the killings as well
by being indifferent...silent...neutral
against the despotic...racist Zionists
A respectable, farmer, worker...producer...constructor
have become... compound killers
misused... as shields... as shelters
by deceptive Zionist colonialists
behind... the word Semite
yet...Zionists are not Semites
white skinned...European races
are anti masses...anti working class
Anti-Arab and all the other races
and they are... the real Anti-Semites
the ugliest woman of history...on earth
maskless...female Zionist
Golda Meir...Ha-ha land's Prime minister 1969
announced it loud
kill them all
Arabs are worse than animals
though...
killing animals...is also deemed a crime
when the imperialist Churchill
pointed raising a state
will take some generations
he gave the hint ...give them breaks
in between...massacre of Arab races
slow progression!

if Theodor Herzl could see
the hateful...disgraced state
founded on his ... crazy thinking
a nation century long...
in blood sinking
also
brought up... murderer nation
in 1896...would had burned
the modern Zionist thesis
and...would have asked the Jews
to leave at once Palestine
and forget
the Israel...the Ha-ha land
the Nazi Zionist land
Judaism is not a nation. It is a religion.
Marx: Religion is opium of the masses
Time we stood up... against all the lashes
