*Gozareshgaran's Appeal:*

27.07.2018

## ***Stop the terrorist apparatus of the Islamic Republic of Iran!***

***We strongly condemn the brutal assassination of Eghbal Moradi!***

Eghbal Moradi, an activist father of Zaniar Moradi, who has been under sentence of death, was recently assassinated. Years ago, he escaped an assassination attempt that wounded and hospitalized him. This time, his dead body was found riddled with seven bullets, alongside the Panjwin River, a bordering city of Sulaimaniah province, which is bordered by the city of Marivan as well.

Eghbal Moradi was a well known political and humanitarian activist. All eyes are on the Islamic Republic and its penetrative mercenary securities in Iraqi Kurdistan, who are expert – one of the best in the world, in terrorizing and killing political opponents.

Zaniar Mordi, along with Logman Moradi, his cousin, is currently in Rajaei prison of Karaj city, serving their prison sentences.

In 2013, Gozareshgaran, in condemning the death sentence of these two political prisoners, issued an appeal, which was translated in several languages, and sent it to all human rights organizations around the world.

The assassination of Eghbal Moradi, shows one more time, that the Islamic Republic of Iran does not and will not hesitate to use any possible means, to eliminate physically and assassinate its political opponents.

We, the political and social activists, whilst sympathising with the family and friends of Moradi, especially political prisoners, Zaniar and Loghman Moradi, do strongly condemn the assassination of Eghbal Moradi -the well known political and humanitarian activist.

We are asking all international and human rights organizations, whilst condemning this brutal act of assassination, to help find the details & agents behind this inhuman terror. We are demanding the unconditional release of all political prisoners, and prisoners of conscientious belief in Iran, including Zaniar and Loghman Moradi.
