## Julian Asange

It will not take only one life time  
but... will be the running rule for ever  
no shame...  
the dirty rulers want more and more  
don't wait any more  
we must ruin all the BASTILLES on the earth

rush...rush...rush  
the time is passing  
stand up and cry for all  
for all... for all... for all...  
all the people of the world  
the steering wheel should turn  
to the people's command

if we jump up all together  
we can cause an earth quake  
if we jump up all together  
we can drive the earth out of the solar system  
we must rush towards all the prisons

we must break down the doors  
we must crumble all the walls  
we must bring out ...on our shoulders  
all the political prisoners

we must free Julian Assange  
we must give him...  
the worlds badge of honour  
a heart-shape fighter tag necklace  
with an oblique written on it  
from right to the left upwards  
“long live humanity”

we must break down ...  
all the slaughterhouses...  
labelled as Embassy  
labelled as Consulate  
we must put an end  
to the dirty wishes ...  
and the terms of  
the bastard rulers
