چو کشور نباشد تن من مباد  
بدین بوم و بر زنده یک تن مباد  
همه سر به سر تن به کشتن دهیم  
از آن به که کشور به دشمن دهیم

## *A summit for collaboration or another recolonization?*

**Sources:** Rebellion

*Analysts have many doubts about what purposes and results the summit between the US and African heads of state to be held from December 13 to 15 in Washington will have: Will it be for genuine collaboration or a new colonization?*

Another of the unknowns of the same experts is whether this conclave will favor peace and unity in Africa, or drag it to get involved in current international conflicts, divide it at the same time, and thus the White House gain ground in the region, even against its allies in the European Union.

No It is a secret that the so-called forgotten continent is no longer a secret. Some time ago, and it is today one of the main stages of the bloody trade war that the US is waging against China, and others emerging powers.

Neither It is unknown that African nations have immense natural resources that the West has always plundered, and Washington He wants to take them in the midst of the convulsive panorama he lives today the world.

Herself knows very well also that the United States is immersed in unbridled long-distance race aimed at buying governments, political parties and media in order to achieve your goal.

No pledges of "cooperation" rain down from the House Blanca in the days leading up to the upcoming summit, while offer significant sums of money for various organizations, some of them closely linked to the Central Enforcement Agency. Intelligence (CIA).

The The same called black continent is one of the most affected by the ravages caused by the Covid-19 pandemic, the rise resounding of all prices, inflation and in general the Current global economic crisis.

Africa He is living very tense financial times and needs more than ever from the international aid, a situation that the US and the United States seems to be taking advantage of. Impose its dominance.

By Assuming that the doubts of analysts about what it will be for the Washington meeting has ample grounds because the White House leaders have never truly cooperated with The impoverished African peoples, and their "aids" have been conditioned to political positions in their favor.

Of course that it is not wrong to think that a new recolonization is underway. on Africa, which would be disastrous for the future of the region.
