## Declaration of the “Free Afghanistan” Portal In regard to US Invasion and Occupation of Afghanistan

The Portal of “Free Afghanistan” strongly condemns the invasion and continuing occupation of Afghanistan by evil forces of imperialism.

In October 2001, US imperialism and associates started the barbaric invasion of Afghanistan in the name of fighting terrorism. Since then, US and NATO occupation forces by the order from the top, has never shied away from using brutal acts that someone cannot even imagine. They have broken down people’s doors and entered their home by force. They have violated their property and raped their wives and daughters. They have insulted their elders in front of other family members. They have unleashed wild dogs on prisoners to force them to surrender to their will. They have thrust electric batons at the private areas of the people to confess for the crimes they have never committed. The so-called civilized people have showed their real face of western civility in Afghanistan.

The real reason for US invasion was not fighting terrorism and Taliban. With the bliss of the Unites States, terrorism is still thriving in that corner of the world. Taliban are also on the move again for reconciliation with the Afghan puppet regime and US imperialism. The Unites States invaded Afghanistan to occupy our sacred land for oil, minerals and geo-political reasons. The rhetoric on democracy, human rights, women’s rights, reconstruction and freedom is deceiving. Whatever US imperialism and associates have done in Afghanistan are the opposites of the claims they make.

The Portal of “Free Afghanistan” cannot be indifferent to the misery of our people and continuing occupation of our sacred land by evil forces. It is worth mentioning that the founders of the “Free Afghanistan” Portal condemned US invasion and occupation of Afghanistan at the very beginning upon which they established this great Portal for the cause of struggle against imperialism. While rejecting terrorism in its totality, the Portal of “Free Afghanistan” supports the struggle of the people of Afghanistan, at all levels, for the independence of Afghanistan.

**Long live Afghanistan!!!**
