چو کشور نپاشد تن من مباد بدین بوم و بر زنده یک تن مباد
همه سر به سر تن به کشتن دهیم از آن به که کشور به دشمن دهیم

To all women around the world

She is the power of strength
The sun from which all seek life,
Under her breast, we are nourished
In her embrace, we are warmed.
This woman works...
grows her field as the sun rises
Stirs her pot as the sun sets.
This woman, my mother.

She is the continuation of roots
The link between past and future
The present, a missing rib to one son of Adam.
Her eyes are not only windows to the soul
But a reflection of her society.
This woman works...
Gains knowledge in books and art
The light that guides all around her.
This woman, my sister.

She is the glue that pieces together a broken heart
The blanket of warmth from a cold shoulder
She symbolizes beliefs and faith.

This woman works...
The star that shines in the darkest of nights
The way that brings joy to the will of a people
This woman, my lover and friend.
This woman works...
And today I celebrate her.
