Netherlands War Crimes Unit requests information about the Pol-e-Charkhi prison

In connection with a criminal investigation, the War Crimes Unit of the Netherlands Police requires information about persons who worked in the Pol-e-Charkhi prison in Kabul, Afghanistan, between 1982 and 1987. Do you know from your own experience who worked there? Or do you have documents, photos or videos involving the Pol-e-Charkhi prison or its employees during this period?

Please send your information to project.afghanistan@politie.nl or refer to [this website](#) for more information. Please include your contact details, such as a phone number and/or personal details, in your email, so we can contact you if your information is relevant to the investigation.

You can also help us by distributing the above request to your Afghan and other contacts, for example through your organisation's Facebook or Twitter account.

In the next broadcast of the Dutch television programme Opsporing Verzocht, attention will be paid to the investigation. If you are in the Netherlands, you can watch the broadcast on Tuesday 18 June at 20:30 on NPO 1.

Thank you for your cooperation.
