We want our Assange free

No games for extradition

We want our Assange free

No games for crucifixion

We want our Assange free

No talks of any location

We want our Assange free

No tricks of double crossers

We want our Assange free

Ten years we've suffered enough

We want our Assange free

Criminals' masks are well ripped

We want our Assange free

War crimes are well revealed

We want our Assange free

Nothing can change the history

We want our Assange free

Bullying... makes hatred grow
