## Suicide blast injure two civilians in Kabul city

July 12, 2013

At least two civilians were injured following a suicide bomb blast in capital Kabul on Friday.

Head of the Kabul Criminal Investigation Department Gen. Zahir Zahir confirming the report said the incident took place around 10:00am local time in Mir Bacha kot district after a suicide bomber detonated his explosives.

Gen. Zahir further added the suicide bomber was recognized by Afghan police forces while he was driving a vehicle and he detonated his explosives while Afghan police was chasing him.

He said the suicide bomber was looking to enter Kabul city and carry out suicide attack.

No group including the Taliban militants has so far claimed responsibility behind the incident.

The Taliban-led insurgency has been rampant since the group announced its summer offensive earlier in April. The group has carried out numerous attacks in capital Kabul and other provinces of Afghanistan since then.

Taliban also vowed to continue to its offensive in the holy month of Ramadan calling it a month with extra religious significance for the Taliban fighters.
