## Mr. Khalilzad is on way to his Taliban friends:

He is going to select and look for so called critical new type of people in Kabul and joined them with his created friends Taliban, also NEW STRATEGY. Moderator Taliban is just a pretext for his final cheating.

He is flexible guy, he turned his back to his other former friends, he wants to have all together “North Alliance, communists, Afghan Mellat, Setamis, Sholais” now and Taliban for his final betrayal on nation.

USA is a supper power, but it seem to me, it is supper power in military and it is always investor of money in wrong and dangerous way like it was happen in the past and in Afghanistan at the present time.

USA kept always as close friends of those people, who were cheater, killer and thieves like we can see it in Afghanistan now.

USA is multi-culture country, there are immigrant from all countries of the world, among them tried some of them to offer themselves as top experts of their born countries like we have it as clear example Afghanistan and Iraq now.

I want to concentrate on the matter of Afghanistan.

Mr. Zalmay Khalilzad has a crawling, flatter and poodle type, he realized the illness of the few conservative war agitators, he started to appear himself as expert of Afghanistan, Iraq and as Asian in general.

His expert being was based on cheating, namely to create first disaster like he did it among the killer so call Mujahidin groups in Pakistan and assigned Bin Laden as Key person in Pakistan to organize the foreigner Islamic fanatics and bring them via Pakistan to Afghanistan to join the war against the former UdSSR and to support them with money in additional, such initiative made this expert Mr. Zalmay Khalilzad and it was started in 1983.

When the former UdSSR had to leave the country( thanks the resistance of united nation of Afghanistan and not by those killer Mujahidin groups, they was busy with collecting

money, selling weapons and fighting against each other), those sold killer groups including Dostum Killer entered Kabul together with an other sold groups, which was trained in Iran and they occupied the city Kabul and divided it into zones, they started war among themselves and it took almost three and half years, during this time, they killed more than 65000 innocent people, they destroyed the city fully and Mr. expert was in waiting position, then he saw the time for the start next step.

It was created under cheating slogan " weapon collect in country and get free the nation from those criminals and killer" the group of Taliban( 1995), which before never exist as such group.

He knew it that the society of Afghanistan is very complicated, each cheating step can be distort ease as we know it, how he did in the past and while Taliban time and now.

Mr. Zalmay Khalilzad had created his own group under the leadership of Mr. Karzai in USA for his third step.

He and Mr. Karzai acted as experts and adviser by Unocal, so the new created group Taliban enjoyed their support in weapon and money and Bin Laden was brought in cooperation with Mr. Rabani via Pakistan to Afghanistan.

Taliban took over the power in 1996 and Bin Laden joined the Taliban as adviser and later on he acted as true ruler in Afghanistan.

He started to misuse the address of Afghanistan as we could see it in year 2001.

Mr. Khalilzad started to take another horrible step to unit his trained group with the known killer and criminals in year 2001 in Bonn.

We can see the output of those people during the seven years, we have disaster in country, many innocent people killed, the country destroyed, the innocent people insulted and are in jails and the reconstruction money went into dark channels.

He is going to take his final action to appear again as expert of Afghanistan, namely to unit his Taliban friends with his an other trained and communists, nationalist and Mujahidin killers to close the poisonous circle and he should then act as president with their support in country.

Mr. Obama should be very careful to use this poodle of war agitators for his new strategy in Afghanistan, he has to remember always the doubt of former President Mr. Clinton, he said: Afghanistan can become the position of 2nd Obama Vietnam, if he will be not careful enough, at the same time he mentioned that he has around him experiences people, he hope not!

If Mr. poodle Khalilzad can start again in solo style to talk to Taliban in Abu Dubai, then I am afraid, we will get unbelievable disaster in country by uniting all those criminals, corrupted, killer and wahabits.

The experiences personalities of Mr. Obama will be then helpless after that, because it will be then too late.

Mr. Obama should realize, that the nation is angry and disappointed, the nation see the present government as installed corrupted government and the majority member of parliament as criminals and killer. It is the nation and Taliban are misusing the present situation as the so call Mujahidin groups did it in the past.

I know it, it is dangerous to announce the truths, but the proud suffered nation of Afghanistan does not earning such vicious circle after so much suffering!

It was only and only the sacrifice of nation of Afghanistan, that the former UdSSR collapsed.

We have more than 90% illiterate people, it will never work exported democracy style in Afghanistan and it will never possible to calm the nation through exported and trained people and it is impossible to establish peace and security through increasing of soldiers and bombing in Afghanistan!
