Dear Comrades at ...

The Portal of “Free Afghanistan” extends its sincere conglutination to you for the convention of the 1<sup>st</sup> Congress of the (new) Italian Communist Party. It was indeed one step forward for your struggle against imperialism and its puppets in Italy. This would have been a great opportunity for all progressive forces to come together and support one another. Without close cooperation of all progressive forces, we will not be able to achieve our goal- the defeat of imperialism and the establishment of a truly democratic society at the world stage. The Portal of “Free Afghanistan” wishes you success and victory in the future.

Regards’
