**"Comment on interview of Mr. Sarajudeen Rasoli with DW on 21.08.2008 ; it is Titled :
Khalilzad will with maximum probability to nominate as candidate for the presidency of Republic of Afghanistan"**

I have read an made interview by Deutsche Welle with so called expert of Afghanistan, he praised Mr. Khalilzad and he stressed repeated, that Mr. Khalilzad is the only personality, who can rescue Afghanistan from the existed disaster, he has the capability to keep balance between former leader of Mujahideen with future government he stressed further, that Mr.Khalilzad never supported the Taliban and he is Democrat as well.

This expert wants as usual to upside down the truths, what it will mention below, it will be based on witness and real information in world news papers, we should stop the artificial and dishonesty announcements and statements, the worth of expert should keep preserved.

One guy, who was member of all kind of groups (maoist, Anahita, has close Khalqi friends, Rabani and Dostum) and he has the habit and quality to put all Pashtoonen into Khalq, Gulbudin and Taliban in the past, who acted as fascist, then he should be careful to touch such sensitive matter and Mr. Khalilzad should advise not to let such people to make for him campaign, he has to learn from his previous made mistakes, if he really love the nation and country of Afghanistan.

To clarify the given statements of this expert, I want to mention below points:

1. When the group under the logo of Taliban was created through former General Mr. Abdul Wali in Quetta-Pakistan to collect weapon over all in country in month July 1995. After selection of such group started Mr. Khalilzad regular and very often trips to Pakistan, it should be asked, for what purposes he had such trips? Mine statements can confirm Mr. Ahmad Zia Masoud and Mr. Ahmad Wali Masoud.

2. This expert personality should remember the time of 1996, Mr. Khalilzad and Mr. Karzai worked as adviser (just symbolic) for Unocal company and this company supported the Taliban with weapons and money, about this matter was written a lot in international news papers too and it is not secret.

3. Mr. Khalilzad wanted to put Mr. Karzai as president of Afghanistan and he selected the member of government. North alliance was appreciated at beginning to get power again including Saiaf, Gailani, Mujadidi and Dostum. They were fearful at beginning too, because they thought, that USA kicked out Taliban in short time, also USA will have a plan for further actions, therefore they kept themselves quit and obedient. They realized later on, that USA has no plan after kicking out the Taliban, they started to manipulate the election, they started corruption and occupying the properties of helpless people, Mr. Khalilzad watched indifferent all such criminal actions of those people, I would not see as balance between the leader of Mujahideen and government, I see it this as his indifference action.

4. It exist information too, that the common people see all those in government and majority in Parliament special "Alliance of Nation" as corrupted, criminals and killer, may be he talked to the paid follower of those. The leader of Mujahideen want and see of course Mr. Khalilzad as next president, because they know, if he will be as such, then Iran, Pakistan, Russian and China will act in different way and base on this will be Afghanistan the source field of war between NATO, ISAF and USA and those mentioned country, if this will be the case, then those killer and criminals will have free possibilities for dividing the country.

It is chaos and anarchy in Afghanistan, we are sure, it will be not select the next president through the nation in honest way, therefore the proper way to act Mr. Khalilzad as next president to correct his made huge insidious mistakes and announce to the nation all his made faults and ask for excuse and swear by Qoran in front of Nation, that he will be honest to the nation and keep the interest only and only of nation and bring those criminals to justice, who he brought on the power and who are the member of parliament. The robbed money has to be use for the nation.

We know it and the world know the rolling of him regard Afghanistan in the past, he acted in high position as USA citizen (as special representative of USA in connection Afghanistan, Ambassador of USA in Afghanistan, Iraq and at the present time in UN).

Ms Albright (former foreigner minister of USA) wanted to be the candidate of presidency of the republic of Czech, but she could not because of USA regulation and I think, Mr. Khalilzad will have the same problem, but who knows?
