Mr. Ali Ahmad Hakimpour, you are right, that the agreement of Bonn in 2001 was made base on dictate and cheating, but you are not right to mix the written article of brave patriot Mrs Lena with the dictate agreement of Bonn at that time.

I think, you did not read her article carefully and you did not understand the contain of her article in correct way or you do not want to understand it, her article is saying very clear, that a citizen of Afghanistan has to act as president as Afghan for all ethnic and tribes equal, in fact such president has to see and to treat as president all ethnic of Afghanistan as one Nation, he/ she should not act as Pashtun, Tajik, Hazara, Uzbek, he/she should not care to which ethnic group belong him or her. He or She should understand the troubles of Nation and act in such away.

The quality, capability and honest being should be put on the foreground during the election and not base on ethnic. Mr. Sirat was not refused because he was Uzbek, he was refused because he was speaker of former King once and he supported the former King.

Mr. Karzai is by name Pashtun, but if we analyze his actions during the few years, he supported and he is supporting only the known criminals, killers and not the common people, in additional are all Pashtuns stamped through his behavior and support of his friends north Alliance, Dostum as Taliban, although he was it to support the Taliban before 2001.

Also, please do not use the mechanism of intrigue, the nation suffered and it is suffering still more than enough. Mrs. brave and patriot Lena described equal as brave and patriot Mrs. Malalay Joya started 2004, all Afghans should be proud on

such courageous and brave women! It is time to accept the reality and condemn and reflect resistance strongly against the sold traitors and intrigues maker.

Pakistan, Iran, Russian, Tajikistan, China and Turkmenistan are looking always for their own benefits and all of them are very active to get a portion of Afghanistan and see the country dividing, they are sure and they know very well, that they trained lot their people during the 30 years, the country should become free from those criminals, killers, then it will be possible to see the realization of wonderful dream of Mrs brave, patriot Lena, Malalay Joya and the common people. Again, the article of brave, patriot Lena is excellent and contained the truths and it is a lesson for us to wake up and to make strong the patriot movement.
